

Canplas Industries Ltd. 500 Veterans Drive, PO Box 1800, Barrie (Ontario) Canada L4M 4V3

April 29th, 2022

To our valued customer,

Due to unforeseen increases in the cost of production and raw materials, Canplas finds it necessary to announce a **5% to 8.5%** increase to our Duraflo Division.

As a result of ongoing manufacturing constraints and short supply, pre-increase orders will only be accepted when in line with each customer's historical purchasing habits.

Product lines affected by this increase will be;

- PL 55 Vent Pipe Flashings
- PL 56 Soffit Accessories
- PL 59 Ridge Vents
- PL 60 Roof & Exhaust Vents
- PL 62 Gable Vents
- PL 64 Siding Accessories
- PL 65 Tall Roof Vents

A copy of the new list prices will be available for download shortly at www.canplas.com/duraflo/

We value your business and we look forward to your continued support.

For more information or clarification, please contact your local Duraflo representative.

Best regards,

Justin M. Petz B. Comm. | National Sales Manager
