Canada Price Increase: Residential Roofing Products

Dear Customers,

Thank you for your continued business and support as we have responded to today's challenging market environment.

The ongoing escalation of raw materials and transportation costs have made it necessary for GAF Canada ULC to announce a price increase of **7-10% on all residential roofing products effective August 01, 2022**. All orders shipped on or after August 01, 2022 will be invoiced at the new level.

Please contact your local GAF Territory Manager with any questions, and we remain grateful for your business.
