Re: **Fuel Surcharge (FSC) Price Increase**

Due to ever rising costs of purchasing, and maintaining a fleet of industry leading trucks, we are forced to examine and adjust our current Fuel Surcharge for Gibson Building Supplies,

Effective June 17th, 2022, our Fuel Surcharge (FSC) for customer deliveries will be increasing from the current \$50 FSC to \$65 FSC.

All orders shipped on or after the effective date will be subject to new pricing. All orders shipped prior to the effective date will be fulfilled at current pricing.

In the meantime, if you have any questions or require further information, please feel free to reach out to your Territory Account Manager.

As always, thank you for your continued business.

Respectfully,

The Gibson Team
