Reference: Distributed Products

Dear Valued Partner,

US based distributed products have been subject to the sudden and rapid rise of the US dollar. As a result, prices on U.S. supplied distributed products will be increasing by 4-8%, effective November 15, 2022. We will continue to monitor this situation and adjust our approach accordingly.

Please do not hesitate to contact your local Territory Manager if you have any questions.

Thank you,

A handwritten signature in black ink, appearing to read 'Nik Bergeron', is written in a cursive style.
