Canada Price Increase: Residential Roofing Shingles

Dear Customers,

Thank you for your continued business and support as we have responded to today's challenging market environment.

Due to continued increases in input costs, GAF Canada ULC is announcing a price increase of **3-5% on all residential roofing shingles effective May 15, 2023**. All orders shipped on or after May 15, 2023 will be invoiced at the new level.

Please contact your local GAF Territory Manager with any questions, and we remain grateful for your business.
