

March 30, 2026

Dear DaVinci® Partner,

We are announcing updates to the DaVinci® Roofscapes pricing program, effective May 18, 2026. These updates include an overall price increase ranging from 3% to 8% on all DaVinci products (excluding Inspire Slate) and reclassification of the Vineyard color option.

All orders placed on or after **May 18, 2026** will reflect the new pricing.

Price Adjustment

Also beginning May 18, 2026, the **Vineyard** color will be reclassified from **standard** to **premium** pricing due to increased manufacturing complexity and cost. This change will be reflected in future price books.

Our team is committed to supporting your business with quality products and reliable service. If you have any questions regarding these pricing updates or how they may affect your upcoming projects, please contact your Territory Manager or our Customer Service team at 800-328-4624. Thank you for your ongoing partnership.

Sincerely,
