

NOTICE OF PRICE ADJUSTMENT

Effective August 1st, 2026

To our valued distributors,

Since our last price adjustment in March 2025, Canada Go Green has worked diligently to absorb increasing costs and maintain stable pricing for our partners. However, throughout 2026 we have experienced significant increases in manufacturing expenses, driven by rising raw material and freight costs.

As a result, it has become necessary to implement a price adjustment of up to **6%** on our 4 SEASONS Solar Powered Vent product line.

Please find our updated price list attached for your reference. The new pricing will take effect on August 1st.

Should you have any questions or require assistance, please do not hesitate to contact your account representative.

Thank you for your understanding and for your continued trust and partnership with Canada Go Green.

Best regards,

Martin Gorlero
President
